Marian College Graduate Outcomes

At Marian College, Myrtleford, we educate students to:

• Be living witnesses of our Catholic story.

• Know what it is to be Catholic and treasure the traditions of our faith.

• Be lifelong learners, critically evaluating the world in which they live and seeking the truth.

• Have genuine respect for self, others and the environment.

• Celebrate and appreciate the strengths and diversity that define each individual.

• Become resilient, articulate, creative and effective members of the community.

• Be caring, responsible, compassionate and confident.

• Have a strong commitment to social justice.
